PAUL GROVES

Paul Groves played amateur football at St Bedes/Mentone under future Western Bulldogs premiership coach Luke Beveridge between 2006 and 2008 and took up coaching football from there. Groves first started coaching the women's game in 2011, when he assisted the AFL Victoria youth girls development team at the national championships and in 2013 he went on to become the head coach of the national championship winning Victorian Metropolitan girls side. Groves was appointed as the inaugural head coach of the Western Bulldogs AFL Women's side in June 2016 and in 2018 led the Western Bulldogs to their first AFLW Premiership. Paul will provide a valuable insight from the AFLW competition and its development.
